North Notts College

Construction

Technical Certificate in Plumbing

Campus: Rotherham College
Code: R07SP13
Level: 2

About This Course

This one-year course is designed to provide you with the broad knowledge, understanding and skills to become a qualified Plumber.

What Will I Study?

Units to be covered include:

- Health and Safety and Industry Practices
- Plumbing Processes
- Electrical and Scientific Principles
- Cold Water
- Hot Water
- Central Heating
- Sanitation and Drainage

Why Study Here?

You will have the opportunity to:

- Work in industry-standard facilities
- Learn from industry professionals
- Develop wider skills such as employability and teamwork
- Undertake work placements wherever possible
- Participate in industry competitions and inter-college challenges

- Take part in enrichment activities such as golf, football and other activities
- Work in close partnership with local businesses
- Undertake work experience and meet with key employers in the trade

Entry Requirements

- Level 1 Plumbing qualification
- GCSE Maths at grade 4, however other relevant experience and qualifications will be considered on an individual basis.
- If you have not achieved Level 2 in both GCSE English and Maths you will also study Functional Skills or GCSE English and Maths alongside your course.
- You will also undertake initial diagnostic tests and interview before starting the course.
