Construction

Carpentry & Joinery

Campus: Dearne Valley College
Code: D07SP06
Level: 1

About This Course

The purpose of this qualification is to provide learners with the knowledge, skills and behaviours to progress onto further training in site carpentry at Level 2, with the fundamental aim of progressing into a job role within the construction industry.

What Will I Study?

This course offers an introduction to carpentry and joinery, where you will start understanding how to use basic hand tools to construct basic woodworking joints. Progressing onto practical tasks such as fixing skirting board and architraves and installing stud work.

Why Study Here?

DVC offers the suitable candidate, modern construction equipment and an up-to-date workshop meeting all industry specifications. As well as industry-trained teachers.

Entry Requirements

There are no formal entry requirements though you need to have a genuine interest in the area and a practical aptitude for the subject

If you have not achieved Level 2 in both English and Maths you will also study Functional Skills or GCSE English and Maths alongside your course

You will also undertake initial diagnostic tests and interview before starting the course.

How To Apply

Through the college website.

What Courses Can I Progress Onto?

Site Carpentry – Level 2 Diploma

Site Carpentry – Level 2 Apprenticeship (requires employer support)

Tuition Fees

Not applicable to 16-18 learners

19+ will be assessed case by case.
