Construction

Diploma Technical Occupational Entry Bricklaying

Campus: Rotherham College
Code: R07SP12
Level: 3
Type: Full Time | Part Time

About This Course

This qualification is for those individuals who are looking to work in the construction industry, specifically in bricklaying.

Learners will gain an understanding of the knowledge, skills and behaviours that are important when working as a bricklayer to high standards.

This level pushes skills into the decorative world of specialised brickwork while incorporating site organisation and planning processes.

What Will I Study?

You will study a range of topics including:

- Health, safety, welfare and the environment
- Principles of construction
- Principles of organising, planning and pricing of construction work
- Constructing radial, battered brickwork and arches
- Constructing decorative and reinforced brickwork

Why Study Here?

You will have the opportunity to work with industry standard tutors, modern up-to-date facilities using all the industry standard tools and equipment needed to be successful in the industry.

Entry Requirements

- Level 2 NVQ or Diploma in Bricklaying

How To Apply

You can apply using our online application form and clicking the **Apply Now** button at the top of this page.
