

Early Years and Education

Diploma in Childcare and Education

Campus: North Notts College

Code: NFECC002

Level: 3

About This Course

This full Level 3 Technical Diploma prepares you to become an Early Years Educator, enabling you to work with children from birth to 5 years and gain knowledge of children aged 5 to 7 years.

Upon achievement of this two-year programme you'll be able to enter the workforce as an Early Years Educator or progress onto Higher Education.

Through attending placement, you'll develop a range of employability skills such as timekeeping, teamwork, organisational skills, planning and delivering a range of activities to meet the curriculum, record keeping, assessing children's development and recording this on the child's profile, partnership working and safeguarding.

What Will I Study?

You'll study a range of topics including:

Theoretical aspects of
childcare and education

Children's care, learning and development

Enhance your professional development

Develop children's literacy and
numeracy skills

Understand how children learn through play

Why Study Here?

Many of our students are employed locally in the sector within the first few months of leaving College, if not before, as we have an excellent working partnership with our placement providers
Learn from industry-experienced and well qualified tutors who have spent many years in the Early Years sector, and have specialist qualifications and knowledge to bring to their teaching

Participation in regular work placements to boost your skills

Opportunities to take part in cross-college events

Guest speakers'

sessions with a range of representatives from children's services, day nurseries, primary schools, special schools and children's centres

Links

with Early Years settings including nurseries, primary schools, day care, children's centres, Children's Hospital, childminders and special schools
