Diploma in Plumbing Studies

Campus: Rotherham College

Code: R07SP08

Level: 2

About This Course

This one-year course is designed to provide you with the broad knowledge, understanding and skills to become a qualified Plumber.

What Will I Study?

Units covered will include:

- Understand and carry out safe working practices in building services engineering
- Understand how to communicate with others within building services engineering
- Understand how to apply environmental protection measures within BSE
- Understand how to apply scientific principles within MES
- Understand and carry out site preparation, and pipework fabrication techniques for domestic plumbing and heating systems
- Understand and apply domestic cold water system installation and maintenance techniques
- Understand and apply domestic hot water system installation and maintenance techniques
- Understand and apply domestic central heating system installation and maintenance techniques
- Understand and apply domestic rainwater system installation and maintenance techniques
- Understand and apply domestic above ground drainage system installation and maintenance techniques

Why Study Here?

You will have the opportunity to:

- Work in industry-standard facilities
- Learn from industry professionals
- Develop wider skills such as employability and teamwork
- Undertake work placements wherever possible
- Participate in industry competitions and inter-college challenges
- Take part in enrichment activities such as golf, football and other activities
- Work in close partnership with local businesses
- Undertake work experience and meet with key employers in the trade

Entry Requirements

- Level 1 Plumbing qualification
- GCSE Maths at grade 4, however other relevant experience and qualifications will be considered on an individual basis.
- If you have not achieved Level 2 in both GCSE English and Maths you will also study Functional Skills or GCSE English and Maths alongside your course.
- You will also undertake initial diagnostic tests and interview before starting the course.
