Dog Grooming

Campus: Dearne Valley College

Code: D10AC02

Level: 3

About This Course

The Level 3 Diploma in Dog Grooming is designed to equip learners with the advanced skills and in-depth understanding necessary to excel in the diverse and demanding world of professional dog grooming. It goes beyond basic grooming techniques, fostering critical thinking, problem-solving, and a commitment to lifelong learning within the evolving landscape of canine care.

The Level 3 qualification will enable you to be a fully qualified dog groomer.

What Will I Study?

The curriculum will encompass a range of interconnected units, including:

- **Canine Anatomy and Physiology:** In-depth study of canine skeletal structure, muscular system, skin and coat, and internal organs to understand the impact of grooming practices on dog health.
- **Canine Behaviour and Welfare:** Understanding canine communication, recognising signs of stress and anxiety, and implementing positive handling techniques to ensure a safe and comfortable grooming experience.
- **Breed-Specific Grooming:** Mastering the techniques and styles associated with various dog breeds, including hand stripping, clipping, and scissoring.
- **Advanced Grooming Techniques:** Developing expertise in specialised grooming skills, such as creative grooming, colour enhancement (where appropriate and ethically sound), and dealing with challenging coat conditions.
- **Health and Safety in the Grooming Salon:** Understanding and adhering to strict hygiene protocols, preventing cross-contamination, and ensuring a safe

working environment for both groomers and dogs.

- Client Consultation and Communication: Developing effective communication strategies to understand client requirements, assess dog needs, and provide professional advice.
