Hair and Beauty

Hair and Beauty

Campus: North Notts College - Worksop Campus
Code: W05SA01

About This Course

With a range of courses in Beauty Therapy and Hairdressing/Barbering at our Worksop campus also including Hair and Media Make-up courses at Retford Post-16 Centre, you can choose a specialist area that most interests you.

Our courses combine practical, hands-on sessions with theory-based sessions on anatomy and physiology and underlying conditions. You'll also have the chance to work on real-life clients in our commercial salon and showcase your skills in events and competitions.

You'll train in our industry-standard training salons that replicate what it's like to work in a real salon environment, and you'll learn from staff who still practice as Hairdressers, Beauty Therapists and Make-up Artists.

What Will I Study?

HAIR/BARBERING

Learning from our experienced staff in industry-standard training and commercial salons, you will study everything from the science behind hair conditions to health and safety, practical hair cutting and colouring techniques.

On our Hairdressing/Barbering courses you will –

- Learn your trade on real clients in our purpose-built College-salon
- INsync – Develop your knowledge, skill and understanding of salon treatments
- Have the opportunity to undertake work placement
- Develop your customer service skills

You can further your knowledge and skills by undertaking optional short courses covering skills such as hair extension application, further preparing you for a career in the industry.
Find out more and apply below.

BEAUTY

The Beauty industry is booming! On our Beauty courses you will study all aspects of beauty therapy, where you'll develop the key skills and knowledge needed to be at the top of your profession.

On our Beauty courses you will –

- Learn your trade in our commercial salons using the latest industry standard equipment and products
- Develop a core understanding of how to manage a salon and run a reception
- Carry out facials, manicures, pedicures hair removal and more
- Study everything from anatomy and physiology to health and safety

You will have the chance to undertake work placements with our network of local employers in the beauty industry including salons, spas and other settings, building your experience and allowing your CV to shine.
