

Computing and Digital

Level 2 Award in Digital and IT Skills

Campus: North Notts College - Worksop Campus

Code: W04AC05

Type: Part Time

About This Course

This adult course is designed for learners who want to build confidence in using digital devices and everyday IT tools. You will develop practical skills for work, study, and daily life, with a focus on using technology safely, effectively, and productively. The programme is ideal for adults who want to improve their digital knowledge, return to learning or prepare for further study in computing and IT.

What Will I Study?

You will study key digital and IT skills, including :

- Using digital devices and common IT software
- Creating, editing and formatting documents
- Working with spreadsheets and simple formulas
- Managing files and information effectively
- Using email, internet search and online tools safely
- Understanding online safety, security and digital communication

Why Study Here?

Develop practical digital skills in a supportive adult learning environment, including:

- Hands on learning linked to real life tasks
- Experienced staff who support learners step by step
- A welcoming environment for adults returning to education
- Skills that support work, further study and everyday confidence

Entry Requirements

There are no formal requirements for this course. It is suitable for adults who want to improve their digital confidence and IT skills
