Computing and Digital

Award in Esport

Campus: North Notts College - Worksop Campus
Code: W04SP07
Level: 2

About This Course

Designed for students aiming to enter the esports industry, this course provides specialist knowledge and skills to support your development, whether toward employment or further study.
Throughout the programme, you'll learn about digital technologies, including gaming and streaming platforms, while collaborating on live projects with local businesses in the esports sector.

What Will I Study?

Over two years, you will study various units including:

Year 1

- Esports Games, Teams and Tournaments
- Establishing an Esports Organisation
- Streaming for Esports
- Plan an Esports Event

Year 2

- Start an Enterprise in Esports
- Design an Esports Game
- Positive Health and Well-being in Esports
- Advanced Esports Event Planning

Why Study Here?

While studying with us, you will get the chance to:

- Learn from industry-experienced staff with strong links to the esports industry
- Link with local esports organisations and businesses
- Join Code Club and Esports-specific events
- Regular live client briefs and opportunities to collaborate with industry professionals
- The chance to compete in national and international esports competitions
- Field trips to esports events and industry-related locations

Entry Requirements

Before enrolling on this course, you will need to have:

- Five GCSEs at Grade 4 or above, including English and Maths (preferably at grade 5)
- Level 2 Computing or equivalent at Merit or Distinction, and suitable GCSEs
- GCSE Computing is an advantage

How To Apply

You can apply using our online application form by clicking the Apply Now button at the top of this page. For more information or support with your enquiry or application, please contact Student
