

Health and Social Care

Supporting Teaching and Learning

Campus: North Notts College

Code: NACED002*

Level: 3

About This Course

This course is suitable for those who have significant experience of supporting children in an education environment and wish to move into a more specialised role.

It will provide you with core knowledge and skills to work unsupervised providing specialist support to children and young people within schools. You need to be employed or volunteering within schools for a minimum of two days a week.

What Will I Study?

- Developing professional relationships
- Understand how to safeguard the well-being of children and young people
- Schools as organisations
- Promoting children and young people's positive behaviour
- Communicating with children, young people and adults
- Supporting literacy development
- Supporting numeracy development
- Plan and deliver learning activities
- Supervise children and young people on journeys, visits and activities

Why Study Here?

- We have excellent year on year results with 98% of our learners passing their qualifications

- We have well qualified teachers who all have experience of working in schools
- We have excellent relationships with our local schools
- The majority of our learners progress into jobs in the sector
- You will be well supported by your tutors and by your schools

Entry Requirements

- You should be working in a school or have a placement you have organised for a minimum of two days
- You will also need to obtain a full Disclosure and Barring Service certificate (DBS formerly CRB)
- Ideally you should have GCSE English and maths

How To Apply

You can apply using our online application form and clicking the Apply Now button at the top of this page
